FILED : 10/24/03 EXAMINER : PHI DIEU TRAN A

FOR : RE-ROOFING METHOD AND APPARATUS

PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT
ABANDONED UNINTENTIONALLY UNDER 37 C.F.R. § 1.137(b)

COMMISSIONER OF PATENTS
POST OFFICE BOX 1450
ALEXANDRIA, VIRGINIA 22313-1450

Sir:

The above-identified application became abandoned for failure to file a timely and proper reply to a non-final Office action, dated July 14, 2006. The date of abandonment was October 16, 2006, the day after the expiration date of the shortened statutory period of three (3) months set for reply to the Office Action. The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition is unintentional.

A grantable petition such as this requires several things. First, a reply to the Office action of July 14, 2006, must be tendered. Second, a \$750 petition fee must be paid. Third, a terminal disclaimer with disclaimer fee must be filed. Finally, a statement that the entire delay was unintentional must be submitted. Applicant believes that these requirements have been met.

A reply to the outstanding Office action is submitted herewith. Also, a check for \$750 is submitted to cover the fee associated with the petition to revive. Further, a terminal disclaimer and fee accompanies this petition. Finally, a statement that the delay was unintentional has been made above. If, for some reason, it is determined that the foregoing statements and materials do not meet the conditions set forth in 37 C.F.R. § 1.137(b) for a grantable petition, the Petitions Examiner is respectfully requested to call the undersigned attorney in an effort to satisfactorily correct the problem(s).

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Stephen R. Greiner', is written over the printed name.
